

Uniform Policy & Dress Code

Rationale

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation

- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and winter uniforms, as well as sports uniforms will be prescribed, and are required to be worn.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the school newsletter at the start of each year.
- The School Advisory Board requires the Principal be responsible for the implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Arrangements can be made to supply uniforms for families experiencing economic hardship through consultation with the Principal.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the Principal.

Application of Dress Code

- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
