Message from the Principal

We celebrated Ash Wednesday Mass together last week which marked the beginning of Lent. Ashes are an ancient sign of repentance. For this reason, since the Middle Ages, Christians have observed the start of Lent by being marked in ash with the sign of the cross. Fr. John led the burning of the palms ritual with our Year 5-6 students the day before Ash Wednesday and it was these ashes mixed with some of the previous years ashes used to mark the cross on our foreheads. Mixing the ashes symbolises connecting our growing faith from one year to the next.

Lent traditionally meant fasting from luxuries like meat, eggs, sugar and butter (except on Sundays), the day before became a time to eat up all the 'luxury' foods in the house, sometimes in the form of pancakes. That led to the day being called Pancake Day. Our classes enjoyed pancake making and eating on Shrove Tuesday! Thank you to those of you who assisted on this day.

You are welcome to join us at the church on Monday March 17th (St. Patrick's Day) at 2.45 pm as our prep-one classes re-enact Palm Sunday.

As we move through this season of Lent may we reflect on the words of Pope Francis:

Do you Want to fast This Lent?

Fast from hurting words.....and say kind words.

Fast from sadness.....and be filled with gratitude. Fast from anger.....and be filled with patience.

Fast from pessimismand be filled with hope. Fast from worries.....and have trust in God.

Fast from complaints.....and contemplate simplicity.

Fast from pressures.....and be prayerful.

Fast from bitterness.....and fill your hearts with joy. Fast from selfishness.....and be compassionate to others.

Fast from grudges.....and be reconciled.

Fast from words.....and be silent so you can listen.

Catholic Education Week

Next week we celebrate Catholic Education Week. Catholic Education Week is an opportunity for all Catholic schools in the Archdiocese of Melbourne to celebrate their Catholic identity, the pivotal role they play within their local community and the strength of the sector.

The theme is 'Arise, shine; for your light has come, and the glory of the Lord has risen upon you (Is 60: 1)'.

Assembly Led by 3-4 Students Experience Parliament

The Grade 3/4's are learning about the different levels of government and how they run to help bring change to our community.

Last Friday we had an incursion all about Democracy, Community and Me. During this incursion we learnt about Australia's preferential voting system and how it works. We then had a go at voting for a candidate who ran for Mayor. After this we had a council meeting to discuss an issue. All of the students played different roles during this incursion which was a lot of fun!

Assembly Led by 3-4CW

We congratulate 3-4CW for doing a splendid job leading us in prayer and running our assembly this week. You are always welcome to attend our fortnightly assemblies. Our next assembly is on Wednesday March 26th at 2.50 pm in Gumbuya.

Fun with the Garden Hose Tubas

Music students enjoyed experimenting with home made instruments this week! Perhaps you could try this at home.

Our Prep-One Classes out and about the town!

A sunny autumn afternoon was the perfect weather to enjoy exploring our beautiful town. Our prep-one children had much to share about this enjoyable day out.

From Asher & Sonny Our Captains

Asher and Sonny have been meeting with me to plan leadership initiatives. Asher is organising stickers for our students to wear on our school sports day.

School Photos

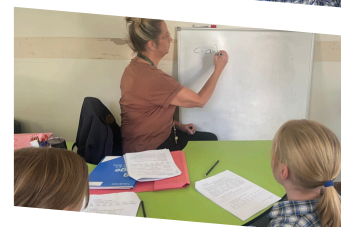

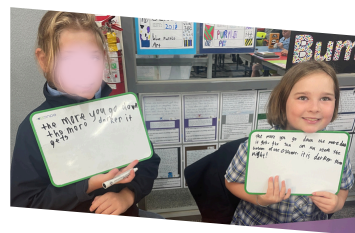

Note March 21st in your calendar as this is our school photo day. Children should come dressed in their FULL SUMMER UNIFORM. This day coincides with Ride to School Day. We will support ride to school day later in the year when we are doing bike education.

School Improvement Teaching & Learning: Literacy

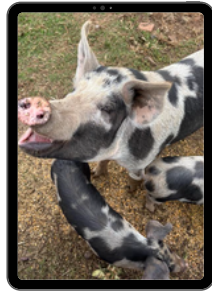

At St Ambrose we use high impact teaching strategies when instructing our students to decode and spell.

We follow the V2 curriculum to teach reading, handwriting and spelling. From Foundation to Year Two. Word Reading and Spelling follows the evidence base in teaching decoding and spelling at the whole-class level in the following ways:

- Decoding and Spelling are taught together within the same lesson.
- Systematic, Synthetic Phonics is used from Foundation to Year Two to teach early decoding and spelling.
- Children are taught the most common sound-letter relationships and explicitly taught how to blend those sounds together to read words and segment those sounds to spell words.
- Phonemic Awareness is taught explicitly to Foundation children focusing on blending and segmenting sounds.
- Children are taught to read and spell a small selection of high-frequency, 'irregular' words to ensure they can begin reading simple decodable texts from an early stage of their education.
- Children are taught to break long, multisyllabic words into smaller chunks (syllables) to decrease working memory demands.
- Lessons follow a sequence of explicit teaching with a gradual release of control (learning goal, concept development, modelling and guided practice). We refer to this as the 'I do', 'We do', 'You do', 'Do it Again' model.
- Interleaved daily, weekly, monthly and termly review is built into each lesson.
- Spelling is taught across many years and with layers required to achieve strong spelling skills (i.e. phonics, orthographic spelling rules, morphology, etymology).
- Explicit, Direct Instruction, which is based on Rosenshine's Principles of Instruction are embedded within the lessons.
- Children are supported and/or extended within daily lessons.
- Handwriting is explicitly taught.

From our Sustainability Leaders

Our sustainability leaders Sofia, Jack and Sophie met with me to plan how to collect our food scraps to feed Sofia's rehomed piglets.

Buddies Mass & Prep Parent Morning Tea

Our Prep children engaged in a special Mass this week with their Year Six buddies. It was terrific that so many of their parents could attend who later joined us for morning tea.

Commissioning of Social Justice Leaders

Our Student Social Justice Leaders Elle and Evie M received their commissioning certificates at our assembly from the Minnie Vinnies representatives who inducted them into their role.

Sacrament of Reconciliation

It has been great to see our families at the commitment masses which support our children to prepare for their Sacrament of Reconciliation.

Our families recently participated in our Reconciliation information evening where we began with a welcome and a prayer. On a large sheet of paper, we asked the parents to list the qualities that they hope their children will have in adulthood. We discussed that to develop these qualities, we needed to make choices in life. Many of our choices will be wise, but sometimes we will not choose wisely. We looked at a couple of examples of choices and who might be affected by the actions that a person makes. The students were lead to realise that the choices they make often affect others, not just themselves.

We moved on to discuss what we should do when we make choices that hurt others through our actions. The story "Pumpkin Soup" illustrates how choices affect others and the importance of saying sorry.

Father John talked about the story Jesus told about the Prodigal Son and the importance of not just saying sorry but forgiving others as well, like God always forgives us.

Father went on to talk about the Sacrament of Reconciliation and how it is about celebrating the fact that Jesus always loves us no matter what kind of choices we make. He went on to explain that in celebrating Reconciliation their son or daughter is being invited to experience the loving embrace of Jesus, like the son in that story, and when we receive that embrace we start again and we celebrate that Jesus loves us and that he is always our friend.

Father stressed that today, unlike when some of us made our first 'Confession', the focus is on the reality that we are loved by God no matter what.

We concluded with questions and the Prayer of St Teresa of Avila, giving the children a copy of this prayer to say at home.

in the staffroom if you'd like to update so you can volunteer.

CONVEYANCE ALLOWANCE PROGRAM

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and private bus. The conveyance allowance is also available to eligible students whose nearest school is not serviced by a free school bus.

Eligibility criteria

The eligibility criteria varies depending on the type of school attended and where it is located.

Students attending a government or non-government school must:

- attend their nearest government or non-government school/campus appropriate to their year level at which admission is permissible
- be enrolled at a school/campus outside Melbourne's metropolitan conveyance boundary
- reside 4.8km or more by the shortest practicable route from that school/campus attended
- be of school age (5 to 18 years old at time of application) and reside in Victoria.

If you believe you are eligible, please click the link or collect a form from the school office.

If you completed a form in a previous year, you do NOT need to fill in another one. Any questions, please ask Karen at the school office.

Dear parents, guardians and carers,

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

JOIN THE CELEBRATION OF ALL THINGS Faith & Family

Pope's Prayer Intention for March:
For families in crisis.
Let us pray that broken families might discover the cure this for their wounds through forgiveness, rediscovering each other's gifts, even in their differences.

Gospel Reflection: Lk 4:1-13

As we celebrate the first Sunday of Lent, we are called to invite Jesus into the deserts of our lives. We call out to God for refreshment and renewal. Lent is a time to do our 'Spiritual Spring cleaning,' a period of introspection and repentance, where we cleanse our hearts and minds of spiritual clutter. It is a time to be renewed and strengthened through faith.

During these forty days, we make an intentional journey deep within ourselves. We ask for guidance as we search for our most authentic selves. God knows us and loves us even in our struggles. He knows our problems, our fears, and our dreams. Now is the time to turn back to God with all our hearts, knowing that He is always there for us, ready to guide us. It is in the deserts of our lives where we are tempted and struggle the most. St. Luke's gospel tells us that Jesus is led into the desert to be tempted by Satan after his baptism by John the Baptist. The Spirit of God was present as reinforcement so that he could resist the temptations in his life.

The idea most of us were given about Lent is that it is a time to 'give up' something. On the contrary, Lent is a time of 'DOING' something to change our lives and the world around us. This could mean volunteering at a local charity, reaching out to someone in need, or making a conscious effort to be more forgiving and understanding. May we find the strength we need to turn back to the Lord through our Fasting, Prayer, and Almsgiving.

Our FAST is not just fasting from food but fasting from jealousy, anger, hatred, and all the other attitudes in our lives that keep us from truly loving God and our neighbors. It is easier to fast from food when we have an abundance of food. Yet, it is harder to change our attitudes about people around us. PENANCE is our willingness to change and be changed by God's spirit alive in us. Penance is not just saying prayers but living a prayer life in all we do. ALMSGIVING is our awareness of the needs of others who search for life, love, and help in their times of need.

During the Mass, Lent is referred to as 'this joyful season.' In the past, we often viewed Lent as a sad or gloomy time of the year. However, it is a time of joy when we can rediscover ourselves and turn back to God. In a world filled with sadness and gloom, Lent offers us a time of joy! Let's rejoice in his holy name every time we consider what the Lord has done for us and how he has brought us through so many things.

A Prayer for Pope Francis (By Father James Martin)

Loving God:
We ask you to look with favour on your servant Francis, who has served you devotedly and tirelessly as a Jesuit, a priest, an archbishop, a cardinal and now as a pope.

Most of all, he has served you as a faithful Christian sharing the love, mercy and compassion that your Son showed to all he encountered in his public ministry, especially those who were poor or struggling.

As Francis now faces this new illness, help the doctors and nurses who care for him, help him to bear any pain with grace and help him to heal quickly.

We ask all this in your Holy Name.
Amen.

Ponder:

**What are some of Lent's joyful aspects?
What can we do in this time of Lent to change our lives and the world around us?**
